## **MEMBERSHIP**

Any full time employee or retired employee of Georgia Pacific (formally Temple Inland) is eligible for membership. Employees of Atlas, Katherine Sage Day Care, Diboll ISD, Crown Colony, the City of Diboll, the Correctional Center, Security & Guaranty, and Ronson may also join. If you have an account your family members, including your spouse, kids, parents, grandparents, grandchildren, as well as brothers, sisters and in-laws may also join.

To become a member of the Credit Union is very easy. You may open an account by payroll deduction or cash. We will need to see your Social Security card and driver's license. When you pay your one time \$5 membership fee, deposit \$25 or more and sign a membership card, you become a member of the Temple-Inland Federal Credit Union.

## **Important Information About Procedures For Opening A New Account**

In compliance with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA Patriot) Act of 2001 and to help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means to you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We will also ask to see your driver's license or other identifying documents.

Please understand that Temple-Inland FCU can not waive this rule as it is part of the USA Patriot Act. Thank you for your patience and help.
