Tax Time Tips

Make Smart Moves with Your Tax Refunds. Many people use their income tax refunds to make major purchases they might have put off during the year, to treat themselves to something new, or to jump start their savings. No matter what category you're in, TIFCU wants to help you make the most of your tax refund. Here are some ways you can make smart moves with your tax refunds.

- Set up an emergency fund.
- Pay off or pay down outstanding debts.
- Take out a share secured loan to help build your credit or consolidated debt.
- Put a larger down payment on a car to make the monthly loan payments more affordable.
- Use it toward the purchase of a home.
- Save for retirement with a TIFCU Traditional or Roth IRA.

If one of these options is a fit for you, stop by our office or visit us at www.t-ifcu.com to learn more about all the ways we can help you make smart moves with your tax refund.
